Solicitation HR861093 is amended as follows:

1. Question: Can ADHS specify the Worksheets and Tools that need to be submitted (these are from the Safety Net Dental Clinic Manual)?

Response: **You are to utilize the forms that apply to your proposal.**

2. Questions on Item B, Page 19. What is the price threshold for bids that need to be obtained for equipment/supplies for portable equipment? Do we only include bids for large items that are over a certain price or is it necessary to include bids on all equipment and supplies that will be requested?

Response: **Bids for equipment/facility are needed. Although small dental instruments and disposable supplies might be included, these are small items which have standardized prices. A company/catalog for pricing can be referenced for these smaller items.**
